And hone to fine the excellence, and entered and entered and 15 100 and do not see from front to the first of the region of the resolution of the are ved by a to a local to hand, and see that a high real-shed the continuent of every hearty my friends, the risk denomined her why denomined 14 to absolve about the natural state of the propose you or 1, by professe and indices the propose you or 1, by professe and indices the propose you or 1, by professe and indices the propose you or 1, by professe and indices the propose you or 1, by professe and indices the propose you or 1, by professe and indices the propose you or 1, by professe and indices are proposed to be proposed to be proposed to be adjusted as a professed as a proposed to be adjusted to be adj response we leave our property to our eleidren, are they for he prescribed? And why should we, who logist mortigments proclains was against the rich, who alone can give it to see! Happone off week An number are introduced; which is to employ und and if put ince employ us, where is one bread! But why deneares the tariff'! It increases the supply; how then can it raise the princt. It increases employment and the every of labor ; hear flow can it in are the laboror? If you have no tariff, the rich will buy whateve or they wont elected, and employ forelighers: if you have a tackle they will buy at home, and employ you Which of the two do you prefer?

"Next to God, a min's first duty is to his family; and a nation's first duty to itself." Let the American flowers agent look out for the American people, and leave the English Government to take care of the English people. We, my friends, practising industry and frugality, should remember a few plain maxims, and we cannot well fail to be prosperous. We should remember-

"I. To judge of public men by the effects of their measures, not their professions. If the people have thriven under their administration, and there has been no corruption, extravagance, or public debt, it may be well enough to try them again; but if the peopla have not thriven under their measures, the people would be fools to try them again; for, what has happened once may happen twice; what is bred in the hone will show itself in the flesh; and a man's calling himself a democrat don't make him one.

. 2. That it is most prodect to let well enough alone; and though ten shillings per day is better than six shillings, yet that six shillings is best activity one desire to promote the great. They sought no place in the conventions of either place and segrical tracket of an avanuages - aristocrats who walk upon their Torkey carpets, and support of capital by preventing its being drawn off emery, and in conformity with the convention of capital by preventing its being drawn off sency, and in conformity with the save of Kinderhook, like him of Chapatral and confidently present ization, and to make their appeal to the intelligence of the people. How that appeal was received is sentially and confidently present ization, and to make their appeal to the intelligence of the people. How that appeal was received is and thus circulating it through the country. As employment is a poor man's only capital, it surely stands him in hand to carry it to the best market."

But about within our own ranks—yes— and which the orator sai down tional Intelligencer of the 23, contains the folalrections sacrilege—standing at the very right "Mr. President," exclaimed a voice in a note so lowing note from Hon. W. P. Thomasson, of Boyd, tacitly admits that he has formerly pronounced the charge of bargarin and corruption, a filse and slanderous one-[Tropic.)

"Col. Lynn Boyd having recently resuscitateemed a duty to inquire whether he believed Six it. His answer to the inquiry is before the and to the almost prophetic language to years since I was employed in a manufactory in country. The public may have some curiwhich I have referred, he has taken not only Rhode Island. My employers were honest and intel- osity to know what was Mr. Boyd's opinion the other six spirits, but even the very one ligent, though wealthy men. They paid me tair but upon this question when Mr. Clay was not a candidate. The Hopkinsville Gazette of the IIth instant, which is sent to you in reviewing

"We assert most positively that we can prove, by one of the most respectable citizens of Hopkinsville, that Lynn Boyd declared to him that the charges preferred against Mr.

This Gazette was shown to Mr. Boyd, and his attention called to the above paragraph, prefer misery and discontent, to happiness and that he might deny it as publicly as he had repeace!) but I was too eager in the pursuit of the thes suscitated the charge. He not having thought proper to do so, the favor is asked to insert this in your paper, by yours, with respect, W. P. THOMASSON.
